

Arivia Manufacturing ISO Declaration

Katun Corporation declares, based on certifications and documentation provided by its manufacturing partners, that the Arivia products identified below are manufactured at facilities operating under management systems certified to the applicable ISO standards shown.

ISO Management System Certifications

ISO Standard	Management System	Arivia Models M3145-4155 C3135-4165	Arivia Models M2125-3135 C2125-2130	Arivia Toners
ISO 9001	Quality Management System	Yes	Yes	Yes
ISO 14001	Environmental Management System	Yes	Yes	Yes
ISO 45001	Occupational Health & Safety Management System	Yes	Yes	Yes
ISO/IEC 27001	Information Security Management System	Yes	Yes	Yes

Certification Basis

A “Yes” designation indicates that the applicable Arivia products are manufactured at facilities operating under management systems certified to the corresponding ISO standard.

These certifications apply to the relevant manufacturing organizations and facilities within their defined certification scopes. They do not constitute certifications of individual Arivia models or consumables.

Declaration

Katun Corporation issues this declaration based on current certification information and documentation provided by its manufacturing partners and reviewed by Katun as of the date shown below.
