

# HIGH PERFORMANCE MONOCHROME PRINTING

The Arivia™ monochrome MFPs offer uncompromising quality, speed, and operability. Their compact yet powerful design is ideal for offices of all sizes and can scale into any environment. These models were built to ensure effortless operation, prioritizing ease of use alongside robust security and networking capabilities.

## FEATURES & BENEFITS:

- ▶ Standard Single Pass DADF (Dual Automatic Document Feeder) offers fast auto duplex scanning to PDF/A, Searchable PDF, TIFF and JPEG.
- ▶ Large customizable color touch screen control panel.
- ▶ Adobe PostScript 3, PCL5 and PCL6 support included standard.
- ▶ Soft-close drawers for increased durability and premium feel.
- ▶ Wireless print enabled (including Apple AirPrint and Mopria Print).
- ▶ Advanced standard security protocols including anti-tampering TPM 2.0 CHIP.
- ▶ Integrated solutions to simplify and improve workflow efficiency.
- ▶ Fully configurable to meet increased volumes, networking, fax or scanning workgroup requirements.
