Arivia™ M3145/M4155

A3 MONOCHROME MULTIFUNCTION PRINTERS

Katun's Arivia M3145/M4155 monochrome multifunction printers redefine the industry standard by combining advanced functionality, user-friendly design, and robust security tailored for today's dynamic, ever-changing workplace.

At Katun, we know it's imperative to embrace sustainability across all aspects of our business – from the products we develop to our everyday operations.

Arivia M3145/M4155 MFPs are designed with energy-efficient technologies that reduce energy consumption while never compromising on quality. Helping you meet your workplace's sustainability goals.

HIGH PERFORMANCE MONOCHROME PRINTING

The Arivia M3145/M4155 monochrome MFPs offer uncompromising quality, speed, and operability. Their compact yet powerful design is ideal for small and mid-sized offices but can scale into any environment. These models were built to ensure effortless operation, prioritizing ease of use alongside robust security and networking capabilities. Smartly designed for reliability and to minimize service calls, Arivia devices achieve print speeds up to 55ppm, scan speeds up to 160ipm and offer a full range of input and finishing options. Arivia streamlines operations and simplifies your workday.

COPY/PRINT: M3145: 45PPM / M4155: 55 PPM

SCAN: UP TO 160IPM (SINGLE PASS, DUAL SIDED DADF)

CONTROL PANEL: 10" COLOR TOUCHSCREEN

PRINT RESOLUTION: 1200 X 2400 DPI

UP TO 3200 SHEET STANDARD PAPER INPUT CAPACITY

NETWORK AND WI-FI (OPTIONAL) CONNECTIVITY

THOROUGH PROTECTION OF OFFICE INFORMATION

SECURITY THAT WORKS.

Arivia's state-of-the-art security features are meticulously designed to safeguard your data and networks. Robust security and authentication options ensure maximum user access control while preventing unauthorized entry. Users benefit from enhanced encryption protocols, including the TPM 2.0 chip, to fortify data security. Anti-tampering features provide additional layers of protection, ensuring your information remains secure against threats.

- Manage any IT security scenario with enhanced security options including local authentication, authentication by remote server, optional IC card authentication, user-specific feature access and private charge print.
- Ensure data security with advanced encryption and anti-tampering features such as encryption of stored data, encryption of communication paths by SSL/TLS or IPsec, encryption when transferring via SMBv3 and SFTP, and more.
- Rest assured that your data is protected with customizable user access settings, account lock to prevent unauthorized access, software signature verification and remote update restrictions.

INTUITIVE DESIGN.

Arivia MFPs are designed with your convenience in mind, featuring a large, modern touch screen interface for effortless operation. Stay connected with advanced networking capabilities that offer flexibility for users and workspaces. Whether you're in the office or on the go, our printers ensure reliable connectivity from anywhere, anytime. User-focused features allow you to:

- Easily integrate our devices into the most popular third-party managed print service solutions.
- Streamline your workflow and maximize efficiency with seamless connectivity and device management.
- Customize your home screen, and save settings for registering frequent or repeated jobs.

SUSTAINABLE INNOVATION.

From super low-melt toner to the use of recycled plastic in our machine exteriors, Arivia devices are designed to minimize environmental impact without sacrificing performance. Sustainability features include:

- Innovative LED print head technology offers low-temperature fusing, conserving energy while providing excellent print performance.
- Induction Heating (IH) fusing technology provides quick heating allowing short start-up time without preheating fuser in stand-by or power saving mode.
- Reduced energy consumption with smart power routing, which optimizes power usage by activating only necessary components.
- Ultra-low temperature EA toner featuring reduced power consumption during fusing.
- Eliminate unnecessary prints and paper waste with features including private charge print, scan, and paperless fax.

Unlock the potential of your workplace with Arivia MFPs, uniquely designed to streamline your operations and maximize productivity. Our printers are tailored to meet the evolving demands of your workplace, offering seamless integration of digital technologies into your everyday processes, increasing efficiency and reducing costs.

YOUR DIGITAL TRANSFORMATION PARTNER

Arivia M3145/M4155 monochrome MFPs - Designed to optimize efficiency, enhance security, and promote eco-friendly practices throughout your organization. Kickstart your digital transformation with cutting-edge features.

Remote management capabilities - Save time with remote diagnostics, firmware updates, and meter readings. Proactively manage your machines from anywhere, anytime, ensuring peak performance and minimal disruptions.

Efficient scanning workflow - Effortlessly convert hard copies to digital data with our advanced scanning workflow solutions. Simplify document archiving and retrieval, reducing reliance on paper and boosting organizational efficiency and sustainability.

AT A GLANCE

- 2 paper inputs increasing paper capacity.
- 3 different paper output or finisher options with stapling, hole punch, folding, and booklet making capabilities.
- UI features simplified and intuitive design for easy use.
- Single Pass DADF & Multifeed detection.
- 30 Second Warm-Up Time, 3.6 second B/W copy output time.

WIRELESS LAN KIT

FAX KIT

B1 HIGH-CAPACITY FEEDER
2,000 SHEETS

OR

B2 HIGH-CAPACITY FEEDER
2,940 SHEETS

PAPER INPUT OPTIONS

Equipped with Tandem Trays
Module Standard
(520 x 2 + 870 + 1,180 sheets)

FINISHER OPTIONS

A2 INTERNAL FINISHER

OR

OPTIONAL BOOKLET MAKER FOR B4 FINISHER

OR

B4 FINISHER¹

OPTIONAL CD3 FOLDER UNIT FOR C4 FINISHER

C4 FINISHER¹
INCLUDED BOOK MAKER AND HOLE PUNCH

OPTIONAL HOLE PUNCH MODULE FOR B4 FINISHER

1- C4 Finisher requires H4 Transport Unit for installation

ACHIEVE YOUR SUSTAINABILITY GOALS WITH **PRINT IT, PLANT IT**

Katun's Print It, Plant It Program offers an opportunity to support global reforestation efforts when you purchase an Arivia multifunction printer and enable print monitoring through an authorized Arivia dealer. In partnership with PrintReleaf™, a tree will be planted for every 8,333 pages printed, in a certified reforestation project worldwide, helping to offset the environmental impact of your printing. Participation in this program is optional. To confirm your dealer's participation and enroll in the program, please contact your authorized Arivia dealer.

Simplify your business with KATUN.

Arivia M3145/M4155 Arivia MFPs set a new benchmark by combining advanced features, intuitive design, and robust security measures crafted for today's dynamic workplaces. With outstanding reliability and performance, Arivia is your simplified solution for success.

SUCCESS MADE SIMPLE.

Arivia M3145/M4155

MONOCHROME A3 MULTIFUNCTION PRINTER

Katun's portfolio of Arivia monochrome MFP's feature state-of-the-art technology that makes it easy to run your business and maximize productivity. Designed to integrate into any office environment, Arivia MFP's are designed to withstand today's security threats, offer an intuitive user experience, and deliver enhanced workflow solutions. Smartly designed for reliability and to minimize service calls, and with print speeds up to 55ppm, scan speeds up to 160ppm and a full range of input and finishing options, Arivia is a powerful asset to your business.
